

Thursday, August 19th - 9am to 6pm

Town & Country Resort & Convention Center

Golden Pacific Ballroom

500 Hotel Circle North

San Diego, California 92108

**San Diego County's ONLY
Instrumentation & Controls
Exposition is BACK!!**

ONE DAY ONLY!

**After record attendance last year,
the I&C Expo San Diego returns
Bigger and Better than Ever!**

Come join your industry peers for the only San Diego event that displays the latest process measurement, control and automation technologies under one roof AND provides more than 18 technology seminars and workshops covering all aspects of today's most discussed technology and application topics.

On display will be the latest products and technologies from local, national, and international companies in our industry, with representatives available to discuss your specific product questions or application requirements.

Mark your calendars now! This event is one day only, so make sure you don't miss it! For complete details, a current exhibitor list, and a schedule of workshops and seminars visit our web site at www.icexpo10.com. Registration is FREE for all industry professionals and students.

See you there!

State of the Art Exhibits & Demos

innovative products and technologies targeted at the process instrumentation, controls, and automation markets and applications.

Hands On Training Workshops

in PLC Programming (self-paced, all levels), Safety Instrumented Systems, Control Valve basics, Safety Integrity Levels (SIL), NEC and NFPA codes, and much more.
